

La randonnée rocambolesque de

Marion Raton

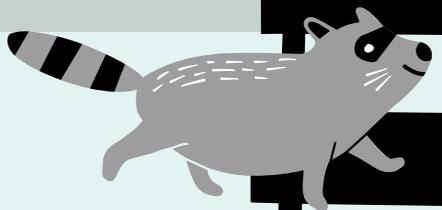

Quelle belle journée!
La famille Raton est sortie
pour une promenade.

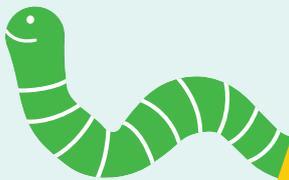

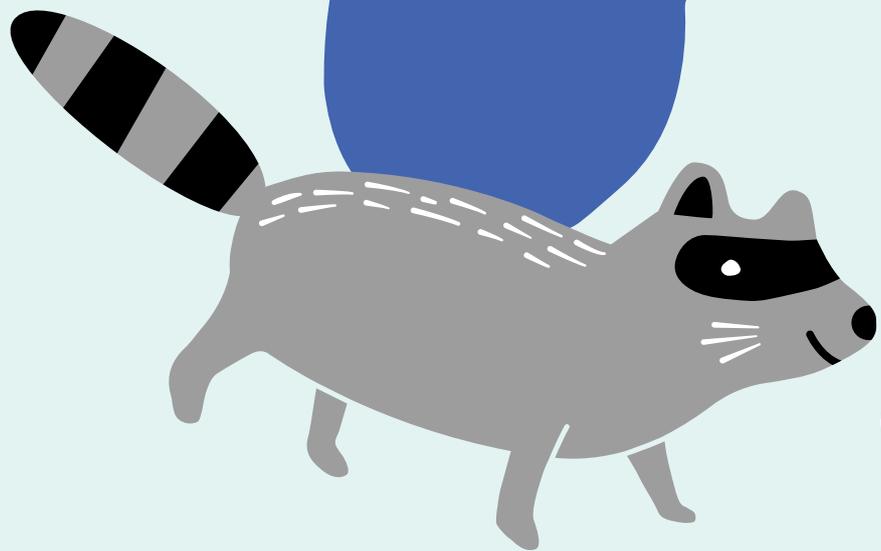

Venez les enfants.

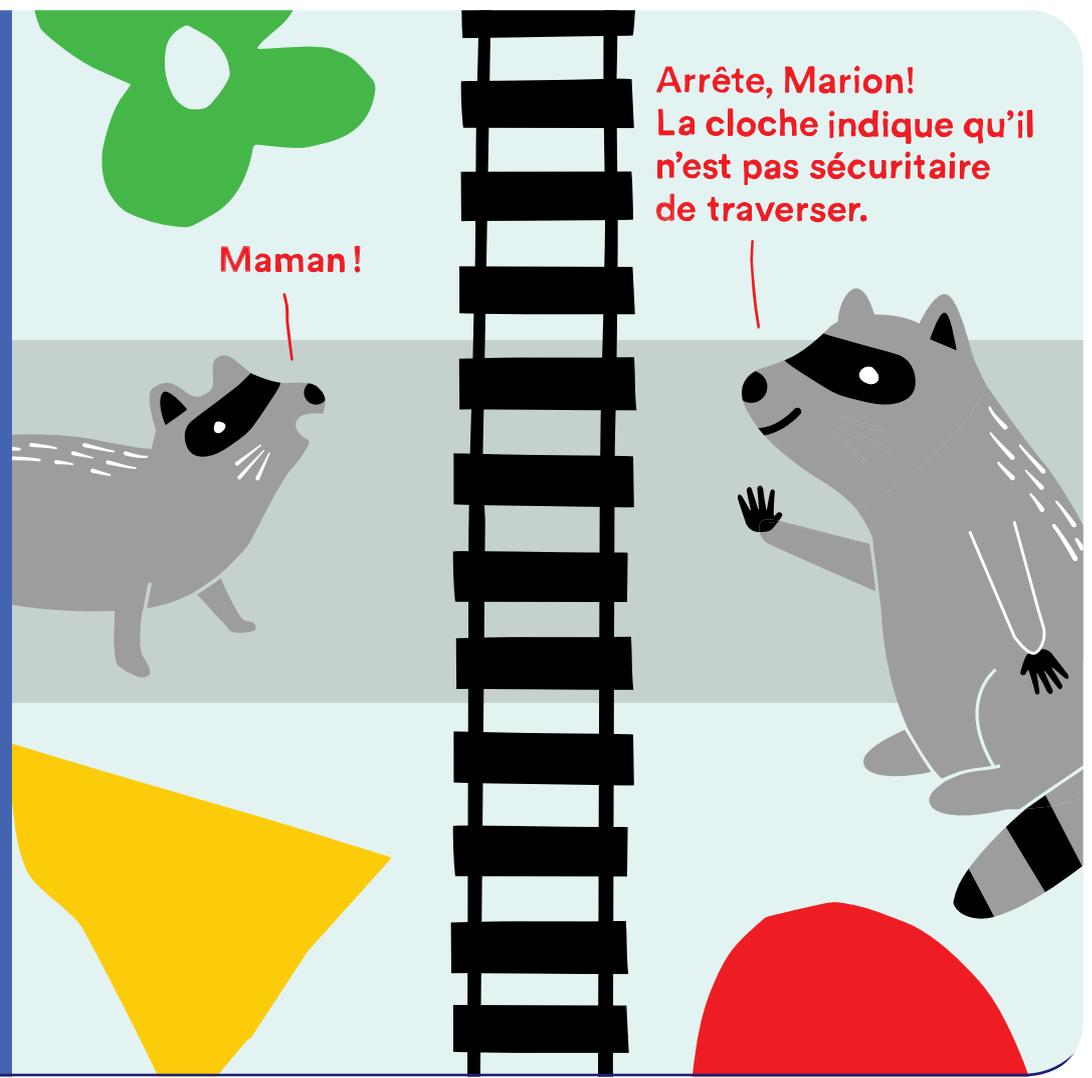

Marion est bien curieuse.

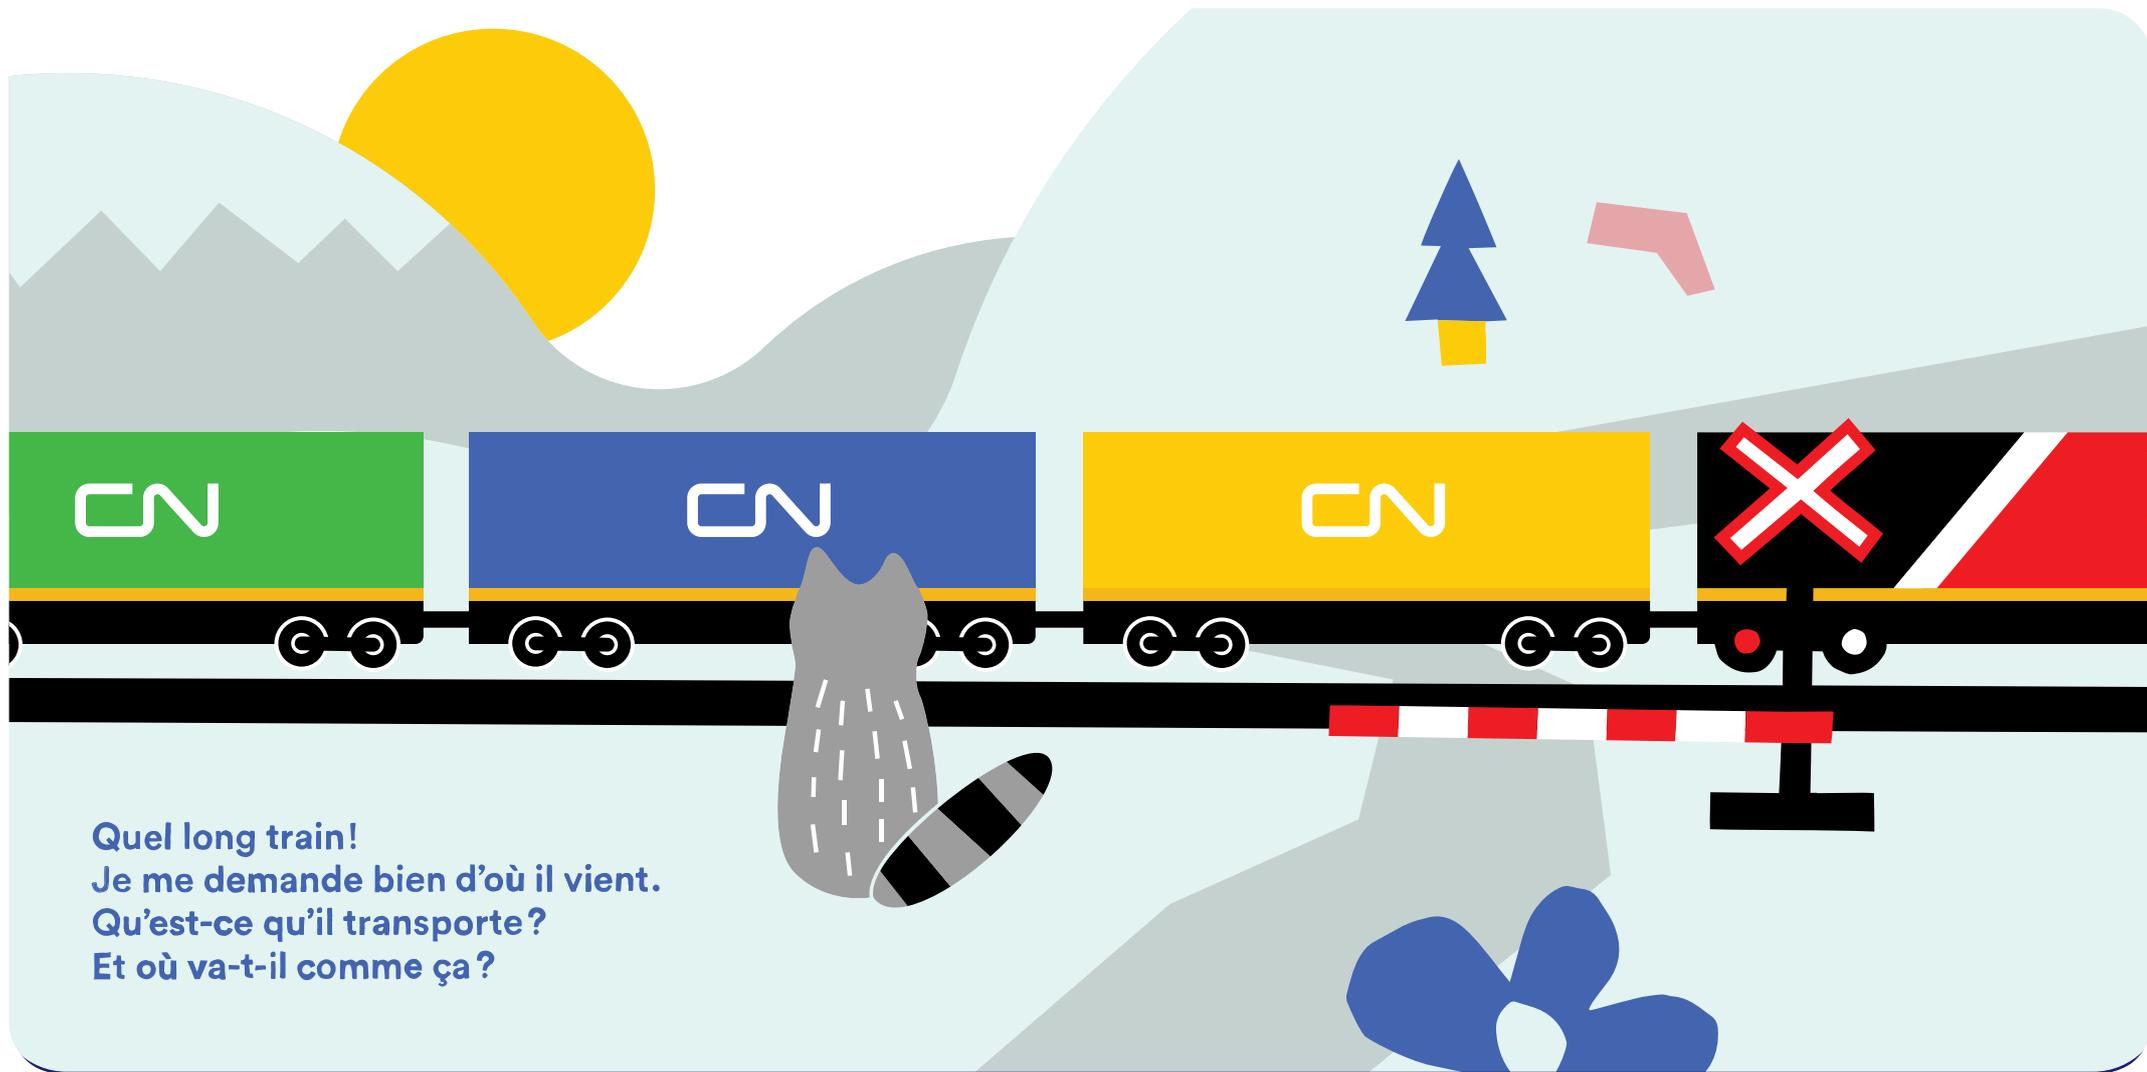

Oh regarde, Marion,
un beau gros ver
tout vert!

Maman!

Arrête, Marion!
La cloche indique qu'il
n'est pas sécuritaire
de traverser.

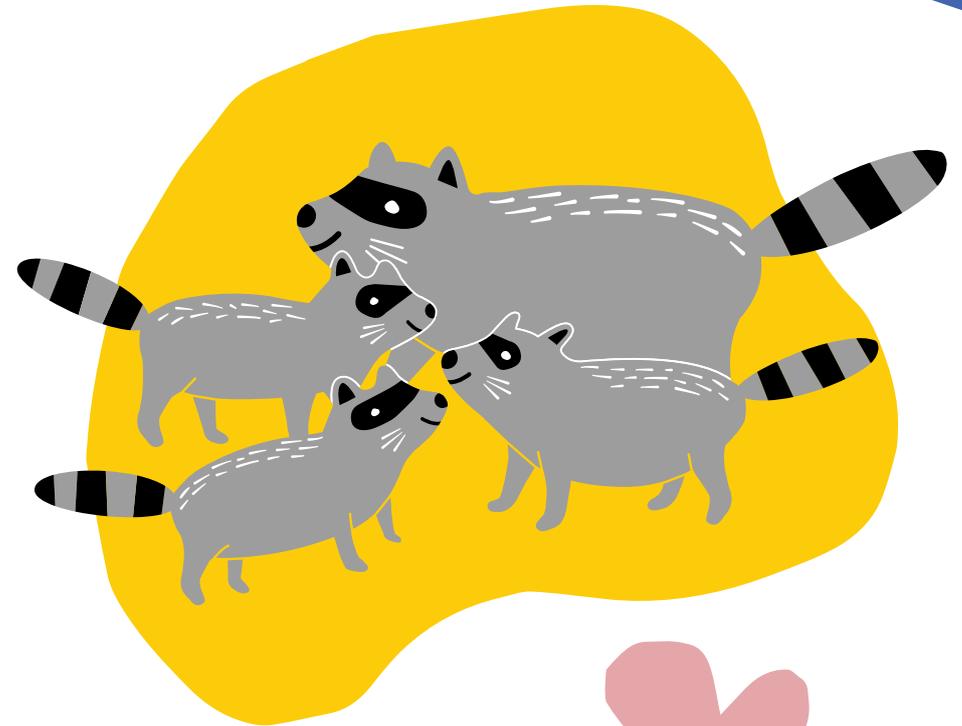

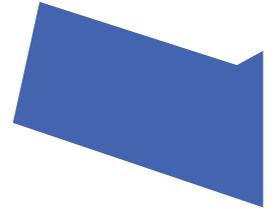

Quel long train!
Je me demande bien d'où il vient.
Qu'est-ce qu'il transporte?
Et où va-t-il comme ça?

La famille Raton
est de nouveau réunie!

La cloche s'est arrêtée.
Il est maintenant
sécuritaire de traverser.

Après son aventure,
Marion Raton sait quoi
faire lorsqu'elle traverse
un chemin de fer.

Et toi, le sais-tu?
