

# Customs Brokerage Services for Mexico

A one stop service to simplify  
your shipments to and from Mexico

1.866.890.1931 | [www.cn.ca](http://www.cn.ca)

CN offers a reliable service with one point of contact for all your customs requirements.

Mexican customs requirements can be a complex maze of paperwork and frustration. We have the knowledge and expertise to get the documentation done quickly and efficiently in order to move your goods for on-time delivery. CN is leading the industry with the most consistent record of customs clearance.

### **Our services include:**

- 24/7 service availability
- One point of contact for efficient control
- Border clearances at both the US and Mexican border
- Bond services - creation of T & E, IT and IE for freight moving from Canada to a bonded facility for furtherance into Mexico or overseas
- For exports from Mexico - the creation and filing for Pedimento
- Advisory Services
