#### Update on CN COVID-19 Protocols.

With many COVID-19 restrictions being lifted across Canada and the U.S., we are taking this opportunity to reaffirm some of our important COVID measures for CN Contractors and Suppliers.

#### Face Masks:

**In Canada:** CN will continue to follow provincial public health guidance and regulations for mask wearing. This means if your province has dropped mask mandates for the workplace, you will no longer be required to wear one on CN property in Canada. As mask wearing will become a personal choice, CN respects the right of any contractor or supplier who wishes to continue to wear one while on CN property.

**In the U.S.:** Contractors and Suppliers must continue to wear masks when on CN property as per the U.S. Federal Railroad Administration's (FRA) Emergency Order Requiring Face Mask Use in Railroad Operations, with the exception of those entering the Homewood Administration Building and CN Learning Center in Homewood. This is consistent with the guidance provided by Public Health Authorities. We will advise you as soon as the FRA requirement is lifted.

#### Vaccination:

**In Canada,** CN's mandatory Vaccination Policy remains in effect, in compliance with Transport Canada's Ministerial Order. The Order requires that employees as well as contractors, consultants, agents and suppliers and anyone who accesses CN properties in Canada to be fully vaccinated. Currently, Transport Canada cannot advise us if or when the vaccine mandate will be lifted. The Policy can be found on CN's supplier portal.

Please take a moment to advise your employees and, as the case may be, your subcontractors and their employees of these updates. They should report for work only if healthy and stay at home if they are exhibiting symptoms of COVID. Also note that CN reserves the right to continue to monitor for compliance with our vaccination Policy. Those who do come on CN property must carry with them proof of vaccination at all times. Anyone incapable of providing evidence that they are fully vaccinated, must not be dispatched to

work on CN property in Canada, and anyone who shows up in violation of our mandate will be denied access to CN property in Canada.

Thank you for your continued support. Be safe.

Sincerely,

**Stephen Covey**  
CN Chief of Police and Chief Security Officer
