CN's track extends to a yard in Toledo for interchange with eastern railroads. With a focus on local interests and the ability to link industries, extending our reach and providing flexibility, we count on our subsidiaries, the Bessemer and Lake Erie Railroad (BLE) and Grand Trunk Western Railroad (GTW), to help us deliver in Ohio. The BLE connects at Conneaut docks.

## Network Investments

Over the past decade, CN has invested about US\$60 million to build and maintain a safe and efficient network in Ohio and to support our supply chain partners. The program focused on the maintenance of Great Lakes Fleet vessels and track infrastructure.

## Community Partnerships

In 2022, CN contributed to several Ohio-based organizations, including:

**AMERICA IN BLOOM** As part of our *EcoConnexions From the Ground Up* program, CN donated to Ohio-based America in Bloom to promote beautification in the communities we serve in the U.S. through education and community involvement by encouraging the use of flowers, plants, trees and other environmental and lifestyle enhancements.

**EQUALITY TOLEDO** CN's PRIDE Employee Resource Group supports Equality Toledo's vision of a city where everyone is treated with dignity and respect and where all people live freely regardless of sexual orientation or gender identity or gender expression. Equality Toledo also runs a food pantry to serve the food-insecure LGBTQ+ community and their families in Greater Toledo.

**TOLEDO SCIENCE CENTER** CN is a proud sponsor of Girl Power programming at Imagination Station at the Toledo Science Center to help encourage girls to explore science, technology, engineering and math.
