TOP THREE COMMODITIES

CN serves many local frac sand, forest product and general merchandise customers in Wisconsin, most notably from Milwaukee and Green Bay on Lake Michigan. We also have intermodal terminals in Chippewa Falls and Arcadia. Our two biggest rail facilities in the Badger State are classification yards in Stevens Point and North Fond du Lac. Stevens Point is the heart of CN's North Division and a key location on CN's core route between the U.S.-Canada border and Chicago, IL.

In 2021, we opened a new inland distribution terminal in New Richmond, WI. The multipurpose facility includes an automotive compound for finished vehicles and an intermodal terminal to serve the growing needs of our customers in the Twin Cities of Minneapolis-Saint Paul, MN, and the Upper Midwest.

Network Investments

Over the past decade, CN has invested about US\$1.5 billion to build and maintain a safe and efficient network in Wisconsin and to support our supply chain partners. The program focused on network upgrades, the replacement of rail and ties, plus maintenance of Great Lakes Fleet vessels, bridges, public crossings, culverts, signal systems, and other track infrastructure.

Community Partnerships

In 2022, CN contributed to several Wisconsin-based organizations, including:

GREEN BAY PACKERS FOUNDATION CN sponsored a multimedia campaign to highlight rail safety during Rail Safety Week in September 2022.

AMERICA IN BLOOM CN EcoConnexions contributed to America in Bloom to promote beautification in Plover by planting trees and shrubs.

FOND DU LAC FESTIVALS CN sponsored Walleye Weekend, an inclusive, family-friendly event that showcases the Fond du Lac community and gives back to other area non-profit groups and organizations.

NATIONAL RAILROAD MUSEUM Aligning with our strong support of environmental education, CN was the presenting sponsor of the National Railroad Museum's holiday *Festival of Trees* event, which promoted one-on-one time with family.

FOX-WOLF WATERSHED ALLIANCE CN supported the Alliance's Trash Free Waters program in northeastern Wisconsin, which aims to improve water quality through coordinated efforts to reduce waterborne trash and debris.

BARRON COUNTY PRO RODEO CN sponsored Ladysmith's professional rodeo event, which featured 250 riders from all over the U.S. and Canada.
