

Notice of Construction

Mid-August through October 2026

Construction Activity

As part of ongoing improvements related to the CN Milton Logistics Hub, construction is scheduled mid-August through October 2026.

Work will take place along approximately 300 metres of Tremaine Road between Britannia Road and Lower Base Line W. Crews will relocate two Milton Hydro poles before building a new entrance to the CN Milton Logistics Hub property.

The new entrance will be used by employees and service and delivery vehicles.

Please refer to the map to the right to see the location of this work.

What to Expect

Utility Relocation | Mid-August 2026

Work will take place between 6 a.m. and 6 p.m. on weekdays.

During utility relocation:

- One lane will be closed in the work area along Tremaine Road
- Traffic control personnel will direct alternating traffic through the open lane
- All lanes will reopen at the end of each workday
- No interruption to phone or electricity service is expected

Entrance Construction | September through October 2026

This work will take approximately four and a half weeks in September and October. Work is expected to take place on weekdays between 6 a.m. and 6 p.m. Some weekend or nighttime work may be required.

During entrance construction:

- Tremaine Road will be reduced to one lane through the construction area
- The lane restriction will remain in place during the duration of this work
- Temporary traffic signals will alternate traffic through the open lane
- Traffic control personnel will assist with traffic movements as required

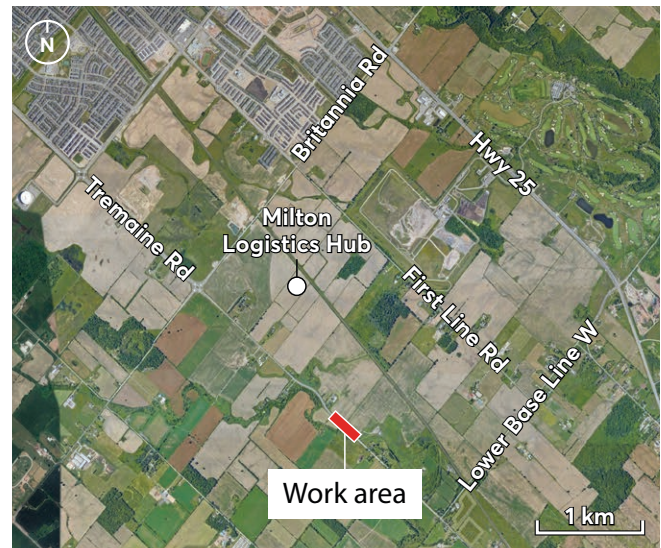

Throughout construction, road users may experience minor delays.

Access to nearby properties will be maintained at all times.

Drivers are encouraged to allow additional travel time and follow all posted signage and directions from traffic control personnel.

Nearby residents may hear increased noise from construction equipment, machinery and hand tools. Crews will complete construction activities as quickly and safely as possible.

CN appreciates your patience during this work.
