

# Notice of Night Construction

October 9, 2025

## Construction Activity

To enhance CN network communication systems, CN will be installing fibre optic cable along the CN right of way. This work will utilize heavy machinery, hi-rail vehicles, and may include the use of small power tools.

Please see the map to the right for location details.

## What to Expect

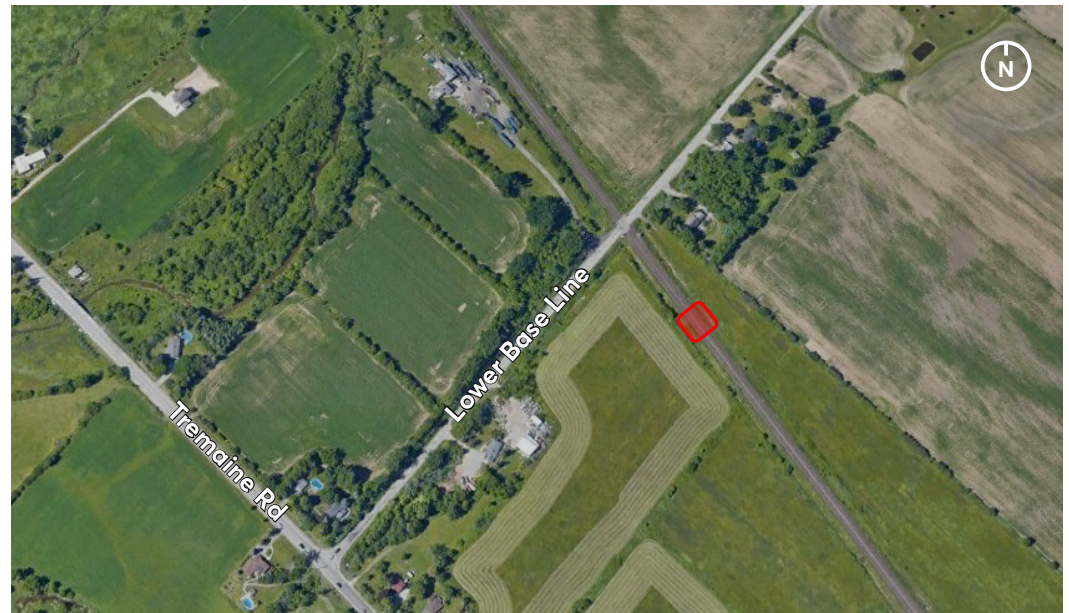

During this period, nearby residents may experience the following impacts:

- Noise from construction equipment and machinery
- Backup alarms on construction equipment and vehicles
- Lighting in the work area (positioned away from residential areas)

Night work is scheduled to minimize disruption to mainline operations. Efforts will be made to complete night construction as quickly as possible.

## UPDATED: Hours of Night Work

Construction will occur from 12:01 a.m. to 9 a.m. from Wednesday, October 15 to Monday, October 20, 2025.
