

Notice of Night Construction

November 9 to December 4, 2026

Construction Activity

As part of ongoing improvements related to the CN Milton Logistics Hub, overnight construction is scheduled from November 9 to December 3, 2026.

Work will take place on CN property near Britannia Road and Tremaine Road, extending south towards Lower Base Line, in the areas shown on the map. Crews will be placing asphalt from November 9 to 27, 2026, and conducting track and signal construction from November 24 to December 4, 2026.

Please refer to the map on the right for the locations of this work.

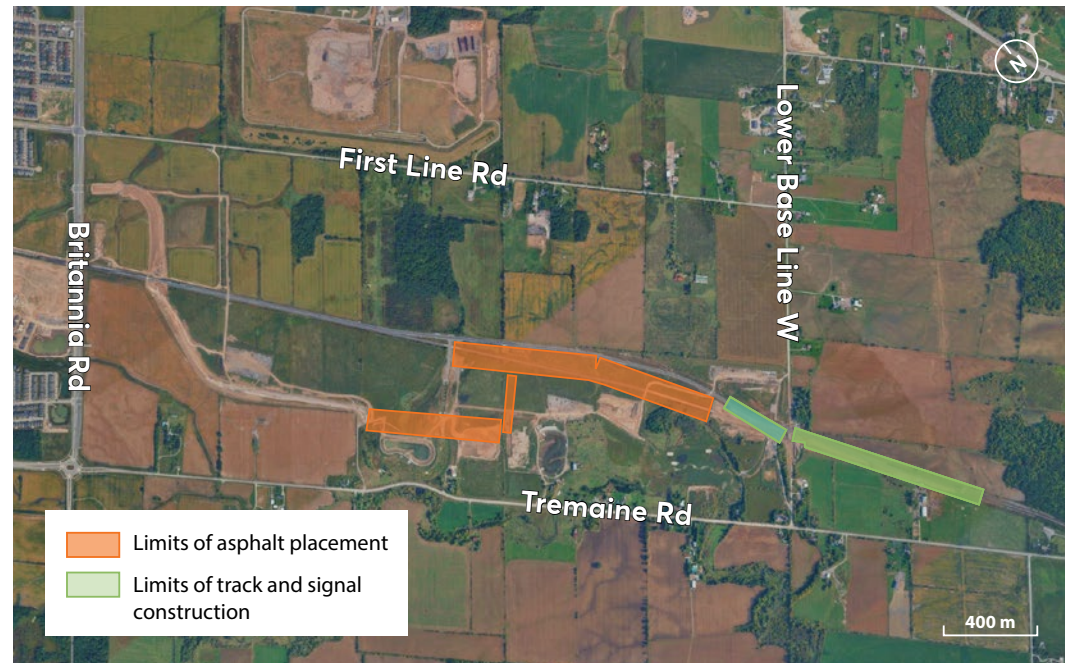

What to Expect

During this period, nearby residents may notice:

- Increased noise from construction equipment, heavy machinery and small power tools
- Temporary lighting in the work areas, directed away from homes whenever feasible

Crews will complete construction activities as quickly and safely as possible.

CN appreciates your patience during this work.
